## ISOLITE® SYSTEMS

### Isovac® 2 Dental Isolation Adapter

---

**REF** PIV0201

This addendum identifies the differences between the system you have received and what is described in the Instructions for Use.

The part number for the item included here is **REF** PIV0201. For best performance, we recommend that you do not combine parts from **REF** PIV0201 with **REF** PIV0101.

The image shown in Figure 1 in this addendum is a more accurate representation of the Isovac 2 Dental Isolation Adapter Components than Figure 9 in the included Instructions for Use.
